

Auxiliary Paid Sick Leave

Know Your Rights as an Employee

Attention all Auxiliary and Temporary Full-Time employees!
Sick time laws have been implemented to protect your right to take time off when you are unwell (For RFT and RPT Employees please refer to the Collective Agreement).

Sick time is now a protected right for all employees in BC. You are entitled to a minimum of five paid sick days per year, which can be used for personal illness or injury.

You must have worked for the Township of Langley for at least 90 days to be eligible for the paid sick days.

Remember, taking care of your health and well-being is essential to being a productive and engaged employee. The new sick time laws in BC are designed to support you in this effort and to ensure that you are treated fairly and respectfully in the workplace.

If you have any questions or concerns about your sick time entitlements, speak to your supervisor, or manager or reach out to the Union office for more information.

Healthy workers are happy workers - 5 sick days for all!
